New Bedford, Massachusetts 02740

### Application for Scholarship

***Deadline: This form must be completed and returned to the congregation (with the essay described below) by April 1. Please write "Scholarship Application" on the envelope when returning this Application.***

A list of the scholarship funds and their purposes is found on Page 2 of this Application. The Applicant does not need to specify the fund from which a scholarship is being requested. If a scholarship is granted, the Fund from which it comes will be matched with the proposed use of the scholarship.

Scholarships are available for children, grandchildren and legal wards of members in good standing of the Congregation.

**Proposed Use of Scholarship** Please be specific (e.g. name and description of trip to Israel). Include website for trip or camp; and itinerary if a trip.

--

**Total Cost Towards which Scholarship is to be Applied** On a separate sheet, please indicate, with detail, the estimated total cost against which the scholarship is to be applied.

**Essay**

To the Applicant: On a separate sheet, please tell us about yourself, your Jewish education, why you selected the camp, college, or trip for which you are requesting a scholarship, and anything else you think might help support your application.

Note that a few of the scholarships are intended for “deserving and needy” students. If you believe that you fit that description, please provide us with supporting information (which will be treated as confidential). Please let us know if you have applied for or received any other financial support.

For those applying for a college scholarship, please let us know what your intended major is, and what your career goals are.
